# INTRODUCTION

The Social Education & Liberty Foundation (SELF) is a Local, non-profit and non-governmental organization. Established in 2014, SELF NGO is a national NGO with its headquarters in Delhi. SELF offers various fields like education, health and many more which is provided to underprivileged children, women, senior citizens, disable person, adults and drop-out students. Our main objective is to provide education to these people and to give equal opportunity to those people who are very weak, both financially and physically. We aim to create an environment for holistic approach and welfare by re-energizing the potential workforce by enhancing skills, higher productivity and providing gainful employment to professionals.

The organization is intended to address the social and economic problems the young people face. Unemployment, lack of education and health is just a few among those critical issues

that disturbs the life and progress of local boys and girls. The main purpose of the organization is to transform local youth, provide them with the opportunities and education, enhance their physical/mental wellbeing and help them participate in development activities and enrich them with the skills and knowledge to overcome socio-economical predicaments.

Over the time, SELF programmers have grown and diversified to also cover medical services, nutrition, vocational training, provision of day care and non- formal education to the underprivileged children of Delhi and surrounding areas.

## MISSION

To contribute significantly(30 per cent) to the overall target of skilling/Up- skilling 500 million people in India by 2022, mainly by fostering private sector initiatives in skill development programmes and to provide funding. The structures of NGOs vary considerably. With the Improvement in communications , more locally-base groups, reffered to as grass-roots organizations or community based organizations, have become active at the national level. It is our firm belief that value based learning has far greater relevance in a dynamic and ever changing work environment. SELF is a team of professionals to support and care the associates all around. This ensures that every student of SELF shares a very special relationship with the organization.

# ABOUT US

The SELF work to support young girls and boys, children and women on low incomes. SELF is committed to strive for young people, to educate, empower and provide skills and trainings, and physical education. This will help young people get motivated, educated and get the skills which they can further contribute to the development of their communities and states. SELF is also involved in providing education, awareness campaigns and mobilize the community to address various problems, including gender violence, illiteracy and numeracy.

The purpose was to participate in the reconstruction, reintegration and community development programs, creating good partnerships among the local NGOs.

The main aim of this unification effort was to participate in community development, promotion of youth and women's rights through raising awareness in the communities, organising and mobilising women's NGOs in SELF. Externally, the organization provides capacity building trainings workshops for women's NGOs fund raising for the members of SELF and strengthening co-operation links with the local authorities in SELF. SELF also strives for building peace and democracy in India.

# ACTIVITIES

## Sanitary Pads Distribution

About 3700 sanitary pads were distributed to many women under the project "Snapdeal". This project covered many areas like Anganwadi, Anganwadi Bhagwati Vihar, Najafgarg, Najafgarg Gaon, Nawada Centre and Shahdara Centre. Even all the women in those areas were made aware about all the benefits of using a sanitary pad and disadvantages of using not.

## Stationary Kits Distribution

Stationary kits were distributed to children under the project "Snapdeal". This project covered many areas like Industrial Area (Matiyala Extension), Anganwadi (Uttam Nagar), Karol Bagh slum area and Moon Light School. More than 1000 children were benefited from this distribution. This was a very encouraging step to keep the children engaged in their studies and work hard. Children were very excited to get those kits.

# Covid-19 Wellness Kits Distribution
