INTRODUCTION

I am proud to present the 2020-21 Annual Report

The Social Education & Liberty Foundation (SELF) is a Local, non-Profit and non-governmental organization. Established in 2014, SELF NGO is a national NGO with its headquarters in Delhi. SELF Offers various fields like education, health and many more which is provided to underprivileged children, women, senior citizens, disable person, adults and drop-out students. Our main objective is to provide education to these people and to give equal opportunity to those people who are very weak, both financially and physically. We aim to create an environment for holistic approach and welfare by re-energizing the potential workforce by enhancing skills, higher productivity and providing gainful employment to professionals.

The organization is intended to address the social and economic problems he young people face. Unemployment, lack of education and health is just a few among those critical issues that disturbs the life and progress of local boys and girls. The main purpose of the organization is to transform local youth, provide

them with the opportunities and education, enhance their physical/mental wellbeing and help them participate in development activities and enrich them with the skills and knowledge to overcome socio-economical predicaments. Over the time, SELF programmers have grown and diversified to also cover medical services, nutrition, vocational training, provision of day care and non- formal education to the underprivileged children of Delhi and surrounding areas.

MISSION

To contribute significantly(30 per cent) to the overall target of skilling/Up- skilling 500 million people in India by 2022, mainly by fostering private sector initiatives in skill development programmes and provide funding. The structures of NGOs vary considerably. With the Improvement in communications , more locally-base groups, referred to as grass-roots organizations or community based organizations, have become active at the nationalist is our firm belief that value based learning has far greater relevance in a dynamic and ever changing work environment. SELF is a team of professionals to support and care the associates all around. This ensures that every student of SELF shares a very special relationship with the organization.

ACTIVITIES

The SELF work to support young girls and boys, children and women on low incomes. SELF is committed to strive for young people, to educate, empower and provide skills and trainings, and physical education. This will help young people get motivated, educated and get the skills which they can further contribute to the development of their communities and states. SELF is also involved in providing education, awareness campaigns and mobilize the community to address various problems, including gender violence, illiteracy and numeracy.

The purpose was to participate in the reconstruction, reintegration and community development programs creating good partnerships among the local NGOs.

The main aim of this unification effort was to participate in community development, promotion of youth and women's rights through raising awareness in the communities, organizing and mobilizing women's NGOs in SELF. Externally, the organization provides capacity building trainings workshops for women's NGOs fund raising for the members of SELF and strengthening co-operation links with the local authorities in SELF. SELF also strives for building peace and democracy in India.

ACTIVITIES

Menstruation Hygiene Awareness and Sanitary Pads Distribution Program

Due to lack of proper care during the menstrual - period, there have been many health -related problems pertaining to reproduction in women and girls, according to a health survey conducted in rural areas. The lack of access to sanitary napkins led several girls to miss their classes, exams and forced some to even drop out. SELF NGO decided to flag off a menstruation hygiene awareness program and distributed sanitary napkins among women. About 5000 sanitary pads were distributed among 2780 women of different age groups (including 18-20, 20-30, 30-48 age groups) with the help of electro Koko-Tawa Weld Company. Even all the women in those areas were made aware about all the benefits of using a sanitary pad and disadvantages of using not.
